

CELEBRATING THE ROCK ISLAND
ARSENAL'S 160TH ANNIVERSARY

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 10, 2022

Mrs. BUSTOS. Madam Speaker, I rise today to celebrate the Rock Island Arsenal's 160th Anniversary. The Rock Island Arsenal is a major Army installation and a home to more than 80 organizations that provide important products and services to our Armed Forces. The arsenal is a prominent employer in the Rock Island area with over 6,000 military, civilian and contractor personnel.

The Rock Island Arsenal was established in 1862 by an Act of Congress, with a mission to deliver base support and enhance readiness for a globally-responsive Army. Major Charles P. Kingsbury was the first Commanding Officer of the Rock Island Arsenal and during his tenure he located and designed three buildings for the arsenal. The second officer to command the arsenal was Brevet Brigadier General Thomas J. Rodman, also called the "Father of Rock Island Arsenal," who redesigned the arsenal on a much grander scale. After his passing in 1871, Lieutenant Colonel Daniel Flagler oversaw the construction of much of the arsenal buildings.

It is because of vital organizations such as the Rock Island Arsenal that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally celebrate the Rock Island Arsenal's 160th Anniversary.

HONORING THE LIFE AND SERVICE
OF DR. MAUDA L. MONGER

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 10, 2022

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor the service of a remarkable individual, Dr. Mauda L. Monger.

Dr. Mauda Monger is a native of Jackson, Mississippi. She has a Bachelor of Arts in Economics/Business Administrations from Tougaloo College, and a master's degree in Public Health, Health Policy & Management, and most recently, her doctoral degree in Higher Education Leadership from Jackson State University. With more than 16 years of experience in HIV/AIDS, Monger has presented on both the local and national level. Her experience spans technical assistance and curriculum development and facilitation. Her presentation style is both personable and innovative with a structure that is focused on eliminating health disparities.

Dr. Monger has provided training to health care professionals in various settings to include primary care, Ryan White, federally qualified health centers and social services. Her key areas of focus are to build effective relationships between community and clinical partners while developing trainings that are comprehensive and informative while developing regional and national partners in getting Mississippi to reduce the number of persons infected with HIV and increase retention in care and viral suppression.

Communities of special focus include women, persons of color, specifically African Americans and marginalized communities to include persons who are Lesbian, Gay, Bisexual and/or Transgender. Her passionate and data-focused style of education reinforces her goal ensuring the clinical community recognizes how stigma and social determinants of health impact access to care, thus the importance of creating welcoming and inclusive clinical environments. She is author and co-author on numerous papers, abstracts and has presented extensively on HIV prevention, social determinants of health, special populations, HIV stigma.

In addition to her current, ongoing responsibilities, Monger is an active alumnus of Lanier High School's Health Initiative and board President OurTime Adult Day Care, Inc.

In 2014, Dr. Monger founded The SHE Project, a mentoring/community service program; focused to build young African American women to be leaders in the community. She is driven by the mantra "To whom much is given, much is required". It's in this space that Dr. Monger provides a roadmap to women seeking to achieve their personal and professional goals.

When she is not educating, mentoring, or speaking, Dr. Monger enjoys journaling, traveling and just a lazy day on the beach.

Madam Speaker, I ask my colleagues to join me in honoring the life, legacy, and service of Dr. Mauda L. Monger.

EMILY GRACE KING

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 10, 2022

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Emily Grace King for receiving the 2021 Young Professional of the Year Award by the Arvada Chamber of Commerce. The Young Professional of the Year Award recognizes an Arvada young professional under the age of 40 whose leadership and dedication have positively impacted their community.

Emily is the Gallery Exhibition Manager at the Arvada Center for Arts & Humanities. In addition, she ensures equitable access to art through Art Drop Arvada and her work on the Arvada Arts and Culture Commission. Emily embodies a leadership style that is rooted in collaboration, sharing, and working to help uplift others.

Congratulations again to Emily Grace King on this recognition from the Arvada Chamber of Commerce. I extend my deepest appreciation for her contributions to our community.

TRIBUTE TO MR. DAVID WARE, A
DEVOUT CHRISTIAN BUSINESS-
MAN AND BROTHER BELOVED

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 10, 2022

Mr. DANNY K. DAVIS of Illinois. Madam Speaker, I include in the RECORD the following Proclamation:

Whereas, the Almighty God has called to his eternal rest our friend and brother Mr. David Ware; and

Whereas, David was a delightful, well-balanced individual, blessed with high intellect, a humanitarian spirit, a great work ethic, a high energy level and love for humanity; and

Whereas, David never forgot his roots and spent a great deal of time in and around the community where he grew up and went to school, especially Farragut, where he, my wife Vera, Heavy Weight Boxing Champion Ernie Terrell, our good friend Frank Lipscomb and Howard Saffold, a founder of the Afro Patrolmen's League were school mates. I always knew David to be a man of principle, he was a good man, creative, always had an idea, a new venture, he contributed to my political campaign efforts, and I am sure to others as well. David was a connector and kept me abreast of his church activities, as a matter of fact it was, he who introduced me to his Pastor and her husband, he took us to lunch, and paid for it. The bible says that the steps of a good man are ordered by the Lord.

I am so grateful that the Good Lord blessed me to know the Good Man, David Ware and my family and I extend our heart-felt condolences to this wife, family, and friends.

CELEBRATING THE LIFE OF
ARTHUR CLEVELAND HESTER

HON. SHARICE DAVIDS

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 10, 2022

Ms. DAVIDS of Kansas. Madam Speaker, I rise today to celebrate the life of Mr. Arthur "Art" Cleveland Hester. Mr. Hester led an accomplished life, serving his nation during a time of war, and influencing the next generation. He leaves behind a large family and community that will miss him greatly.

Mr. Hester was dedicated to serving this nation diligently throughout his life, and this is well exemplified by his military service. After graduating The United States Military Academy with a degree in mechanical engineering, Mr. Hester served two campaigns in Vietnam where he was a commissioned officer in the U.S. Army. He earned several commendations for his service, including the Silver Star, Bronze Star, and the Purple Heart. But of course, he was most proud of his time as an Airborne Ranger. After returning to the United States, he received a master's degree in Finance from New York University and a master's degree in industrial engineering from Stanford University. When he retired from active duty in 1981, he became a reservist in the Army and began working at the General Motors Fairfax Assembly Plant in Kansas City, Kansas. He would devote much of his career to automotive manufacturing, working in plants across the country as a manager and supervisor. Even when he eventually left GM in 1998, he continued to work in automotive manufacturing as a founding partner of engineering firm CHB and as a program manager who provided technical support to automotive and manufacturing organizations.

Mr. Hester was generous with his time, often choosing to help mentor young people at his church and in his local community. I will always be grateful to Mr. Hester for serving on
